

## AMATEUR JUMP TOUR 2021

### with Equiservis

#### **Rules for 2021**

AMATEUR JUMP TOUR is a national series of jumping competitions, which will take place in various areas in Bohemia and Moravia. Riders score separately in the Moravian and Czech parts of the series, and they can earn points in any qualifying round in the Czech Republic. The division of riders into areas is according to the rider's affiliation in the JIS, but the rider has the opportunity to choose at the beginning of the season whether to score in the Czech or Moravian rankings.

The series is intended for riders with a CJF license or a hobby card, foreign riders can also start in individual rounds. All competitions except the Grand Finals are held as open competitions and can therefore be attended by all riders.

The series is divided into part hobby races and part official races and is listed on three hobby difficulties, five official competition difficulties and two pony tours.

**Hobby: 60, 70, 80cm**

**Official ZM, Z, ZL, L\*/L\*\*, S\*/S\*\***

**Pony: Small tour a Pony Big tour**

Each level of difficulty is scored separately, in each level a rider can score with only one horse. If he has more horses in the competition, he will gain points only with the horse better placed. Each rider can participate in multiple levels of difficulty. However, points obtained in different levels of difficulty cannot be combined (added up).

In official competitions, only pairs (rider / horse) who have not completed more than three courses two degrees higher in the last two years can score in the rankings, but can participate in an open competition without the right to points.

Competition ZM - no more than three courses of st.ZL in the last two years

Competition Z - no more than three courses of st. L \* in the last two years

Competition ZL - no more than three courses of st. S \* in the last two years

Competition L - no more than three courses of st. ST \* in the last two years

Competition S - no more than three courses of st. ST \*\* in the last two years

The overall ranking in a given level of difficulty includes points from all competitions in which the pair will participate and in which the pair will be placed on one of the points. In the final round, the riders will receive twice the number of points for placing in 1st to 15th place.

In case of equality of points in the first ten places in hobby competitions, the overall result in the series is decided by the better result from the last round, which is also around the final, or higher number of points in the entire AMATEUR JUMP TOUR series, in official competitions the result of the grand final competition.

The ongoing and later the overall ranking of the series will be published after each of the rounds on
